

## UNIFORM CODE

---

The Department of Education supports the wearing of school uniforms.

***“The Community expects that schools will insist on sensible standards of clothing, good grooming, and personal cleanliness. The Department of Education requires that students conform to acceptable general standards of dress, including the school’s particular uniform requirements”.***

Smith’s Hill High School is a learning community, which has decided that there will be a student uniform, which adheres to an acceptable community standard. School uniform also assists in the development and maintenance of tone and good conduct at school and promotes Smith’s Hill High School’s identity and place within the wider community.

Smith’s Hill High School uniform can only be purchased from the Smith’s Hill High Uniform Shop.
